

AP Studio Art Drawing Web Quest

Performance Standards	Student	Teacher
<p>1. Focus/Evidence: (25 pts.) <u>Exemplary</u> - Consistently identifies the most effective method that will be used to answer the question; Consistently selects the most appropriate and relevant information(22-25)</p>		
<p><u>Proficient</u> - Identifies a satisfactory method that can be used to answer the question; Selects sufficient relevant information. (16-21)</p>		
<p><u>Not Proficient</u> - Identifies the issue but selects an inadequate method to answer the question; Selects incomplete and/or irrelevant information. (0-15)</p>		
<p>2. Use of Technology: (25 pts.) <u>Exemplary</u> - Properly uses hardware and software; navigates internet with ease; demonstrates insightful use of technology to communicate ideas. (22-25)</p>		
<p><u>Proficient</u> - Attempts to properly use hardware and software; navigates internet with competence; demonstrates effective use of technology to communicate ideas. (16-21)</p>		
<p><u>Not Proficient</u> - Improperly uses hardware and software; navigates internet with difficulty; ineffectively uses technology to communicate ideas. (0-15)</p>		
<p>3. Organization/Responsibility: (25 pts.) <u>Exemplary</u> - successfully organizes ideas; consistently concentrates on assigned tasks; consistently uses class time efficiently; consistently works independently and consistently follows all class rules. (22-25)</p>		
<p><u>Proficient</u> - attempts to organize ideas; usually concentrates on assigned tasks; usually uses class time efficiently; usually works independently and usually follows all class rules. (16-21)</p>		
<p><u>Not Proficient</u> - unsuccessfully organizes ideas; inconsistently or rarely concentrates on assigned tasks; inconsistently or rarely uses class time efficiently; inconsistently or rarely works independently and inconsistently or rarely follows all class rules. (0-15)</p>		
<p>4. Synthesis/Communication: (25 pts.) <u>Exemplary</u> - Comprehensively interprets, applies and evaluates information; consistently identifies the most effective method to solve the problem; communicates a clear, insightful conclusion. (22-25)</p>		
<p><u>Proficient</u> - Correctly interprets, applies and evaluates information; identifies an effective method to solve the problem; communicates a logical conclusion. (16-21)</p>		
<p><u>Not Proficient</u> - Incorrectly or unclearly interprets, applies and evaluates information; unable to identify an effective method to solve the problem; communicates an unclear, ineffective conclusion. (0-15)</p>
